LightwaveRF Ltd (“Lightwave” or “Company”)

Proposed equity subscription (“Subscription”)

Lightwave, the leading smart home solutions provider, is pleased to announce that the Committed Capital Concert Party, as described below, has agreed to subscribe for up to 11,250,000 New Shares at a minimum price of 5p per Share, with the maximum percentage the Concert Party would own being 49.90%. It is expected that the New Shares will be subscribed for by the Concert Party over the next 12 months subject to final terms and due diligence.

Members of the Concert Party have indicated that they may subscribe for the full amount of New Shares as set out above, but have not committed to subscribing for all of the New Shares.

In addition to the issue of New Shares to the Concert Party, the Company intends to consider a further equity fundraising exercise. If any existing shareholders wish to invest further, please contact the company directly. Depending upon the structure of any further equity fundraising to all shareholders, the Concert Party may take part, however any purchase of shares by the Concert Party would not cause the Concert Party’s shareholding to be in excess of 49.90%. Any further equity fundraising would be on the same terms for all shareholders at that time.

With respect to the previously announced fundraising the Company has issued a total of 12,146,635 ordinary shares at a price of 5p per share to the Concert Party, raising £607,331.75. In addition, the staff of the company have exercised options of 12,078,527 A Ordinary shares.

Full details of the shareholdings of the Concert Party are set out below.

The Code

The proposed issue of the New Shares gives rise to certain considerations under the Code, which is issued and administered by the Panel. The Code applies to all takeover and merger transactions, however effected, where the offeree company is, inter alia, a company with a registered office in the United Kingdom and whose securities are admitted, or have been admitted at any time during the 10 years prior to the relevant date, to trading on either a regulated market or a multilateral trading facility in the United Kingdom. The Company’s Shares were, until 24 February 2020, admitted to trading on AIM and its shareholders are, therefore, entitled to the protections afforded by the Code.

Rule 9 of the Code

Under Rule 9 of the Code, where any person acquires (whether by a series of transactions over a period of time or not) an interest in shares which (taken together with any interest in shares already held by that person and any interest in shares held or acquired by persons acting in concert with him or her) carry 30% or more of the voting rights of a company which is subject to the Code, that person is normally required to make a general offer to all the holders of any class of equity share capital or other class of transferable securities carrying voting rights in that company, to acquire the balance of their interests in the company.

Rule 9 of the Code also provides that, among other things, where any person who, together with persons acting in concert with him or her, is interested in shares which in aggregate carry not less than 30% but not more than 50% of the voting rights of a company which is subject to the Code, and such person, or any person acting in concert with him or her, acquires an additional interest in shares that increases the percentage of shares carrying voting rights in which he or she is interested, then such person is normally required to make a general offer, to all the holders of any class of equity

share capital or other class of transferable securities carrying voting rights of that company, to acquire the balance of their interests in the company.

An offer under Rule 9 must be in cash (or with a cash alternative) and at the highest price paid within the preceding 12 months for any shares in the company by the person required to make the offer or any person acting in concert with him or her.

The Concert Party and effect of the Subscription

Persons acting in concert comprise persons who, pursuant to an agreement or understanding (whether formal or informal), co-operate to obtain or consolidate control of a company or to frustrate an offer for a company. The Concert Party comprises CCFSL, Committed Capital Limited, Steve Harris (a director of the Company), Timothy Steel, Else Thomson, Mark Blandford, Judy Welch and Margaret Elizabeth Barham (the "Concert Party") and details of their current interest in the Ordinary Shares, in the share capital as enlarged by the Subscription immediately following the final subscription of New Shares and as enlarged by the conversion under the FFCL immediately following full conversion are set out below.

Dispensation from a general offer under Rule 9 of the Code

Under Note 1 on the Notes on the dispensations from Rule 9 of the Code, the Panel will normally waive the requirement for a general offer to be made in accordance with Rule 9 of the Code if, inter alia, the shareholders of the company who are independent of the person who would otherwise be required to make an offer and any person(s) acting in concert with him or her (the "Independent Shareholders") pass an ordinary resolution on a poll at a general meeting (a "Rule 9 waiver Resolution") approving such a waiver.

Under Note 5 (c) on the Notes on the dispensations from Rule 9 of the Code, the Panel may also waive the requirement for a Rule 9 waiver Resolution to be considered at a general meeting (and for a circular to be prepared in accordance with Section 4 of Appendix 1 to the Code) if Independent Shareholders holding more than 50% of the company's shares capable of being voted on such a resolution confirm in writing that they would vote in favour of the Rule 9 waiver Resolution, were such a resolution to be put to the shareholders of the company at a general meeting.

The Company has obtained such written confirmation from the following Independent Shareholders:

<i>Director and Shareholders</i>	<i>Number of Ordinary Shares</i>	<i>% of current issued share capital</i>	<i>% of Shares capable of being voted on the Rule 9 waiver Resolution</i>

The Panel has accordingly waived the requirement for a Rule 9 waiver Resolution.

Confirmations and acknowledgements

The Company has obtained from the Independent Shareholders listed above confirmation that:

1. they are the beneficial owners of 67,718,064 Shares in the issued share capital of the Company, representing 32.05% of the Company's issued share capital carrying voting rights, and they have absolute discretion over the manner in which these Shares are voted. These Shares are held free of all liens, pledges, charges and encumbrances;
2. that (a) save for the fact that following the Subscription they will all be shareholders in the Company, there is no connection between them and any member of the Concert Party, (b) they do not have any interest or potential interest, whether commercial, financial or personal, in the outcome of the Subscription, and (c) they are an Independent Shareholder of the Company as defined below; and
3. that, in connection with the Subscription:

- (a) they consent to the Panel granting a waiver from the obligation for the Concert Party to make a Rule 9 offer to the shareholders of the Company;
- (b) subject to Independent Shareholders holding more than 50% of the Shares capable of being voted on a Rule 9 waiver Resolution to approve the waiver from the obligation for the Concert Party to make a Rule 9 offer giving confirmations in writing in a similar form to this letter, they consent to the Panel dispensing with the requirement that the waiver from such obligation be conditional on a Rule 9 waiver Resolution being approved by Independent Shareholders of the Company at a general meeting; and
- (c) they would vote in favour of a Rule 9 waiver Resolution to waive the obligation for the Concert Party to make a Rule 9 offer were one to be put to the Independent Shareholders at a general meeting.

In giving the confirmations referred to above, they acknowledge:

1. that, if the Panel receives such confirmations from Independent Shareholders holding more than 50% of the Shares capable of being voted on a Rule 9 waiver Resolution, the Panel will approve the waiver from the obligation for the Concert Party to make a Rule 9 offer without the requirement for the waiver having to be approved by Independent Shareholders of the Company at a general meeting;
2. that if no general meeting is held to approve the Rule 9 waiver Resolution to waive the obligation for the Concert Party to make a Rule 9 offer:
 - (a) there will not be an opportunity for any other person to make any alternative proposal to the Company conditional on such Rule 9 waiver Resolution not being approved by Independent Shareholders of the Company;
 - (b) there will not be an opportunity for other shareholders in the Company to make known their views on the Subscription;
 - (c) there will be no requirement for the Company either (i) to obtain and make known to its shareholders competent independent advice under Rule 3 of the Code on the Subscription and the waiver of the obligation for the Concert Party to make a Rule 9 offer or (ii) to publish a circular to shareholders of the Company in compliance with Appendix 1 of the Code in connection with this matter;
 - (d) that they have had the opportunity to take independent financial advice; and
 - (e) that they will not sell, transfer, pledge, charge, or grant any option or other right over, or create any encumbrance over, or otherwise dispose of my shares in the Company until after the publication of this announcement.
